Anything else that you might envision for your dream photos!

Now That You're Booked

1. I will create a shared Pinterest board with you and we will be co-creators in coming up with the vibe of your dream gallery (only if this is something you are interested in!).

2. Engagment Session! This is a time to get comfortable in front of the camera and also makes great photos for save the dates, etc.

3. A questionnaire will head your way 8-10 weeks before your wedding giving me all the details of you and your day to help ensure we are all on the same page.

4. WEDDING DAY!!! EEK! GET READY FOR SOME MAGIC!

5. 24 hours after your session I will send you some sneak peeks from your day, because I know it can be hard to wait!

6. 6-8 weeks after your wedding, your online gallery will be delivered. Yay!

READY TO CREATE SOME MAGIC?

I cannot wait to work with you! Reach out and let's schedule a consultation!
